

The *tale* of
THE CURIOUS FISH

THE CURIOUS FISH is a celebration of the finest, freshest and most natural ingredients from land and sea, found on our very doorstep.

FEARGHAL O'NEILL, our classically trained Head Chef, draws inspiration from the dramatic seascape and bountiful terrain of the Wild Atlantic Way to create flavoursome, classic dishes with a contemporary Irish twist. The result is an ever-changing menu which meanders through the seasons.

Fearghal's food, a personal interpretation of the evolving and dynamic Westport landscape, is hand crafted in our kitchen using simple, honest and locally sourced artisanal ingredients.

If it's in season, it's on our menu.

Eat. Drink. Enjoy.
